**H. Con. Res. 305  
Recognizing the importance of bicycling  
in transportation and recreation**

*As ordered reported by the House Committee on Transportation and Infrastructure  
on May 15, 2008*

H. Con. Res. 305 would state that the Congress recognizes that increased and safe bicycle use for transportation and recreation is in the national interest of the United States and supports policies that increase bicycle use. Adopting H. Con. Res. 305 would result in no cost to the federal government.
